

REGISTRATION

Log on to the Jackrabbit “Parent Portal.” On your dashboard, find “Looking for a class?” and click the “Find classes” button. Select the “GROUP” for your level. This will provide the monthly tuition rate for your level. The monthly rate is the same whether you take one class or multiple classes, online or in-studio. Add this GROUP to your shopping cart.

Next, select the classes from among those listed for your level, in-studio classes or *online classes*, or any combination. Classes marked H* are for “Homeschoolers” who indicated in our recent survey that they preferred this option. Classes marked “Masks” *require* all participants (students and teachers) to be masked. Other classes have notes for levels, ensembles, and more. While not marked, classes for intermediate to advanced students may encompass Pointe, Contemporary, Men’s techniques, Variations, Partnering (when safe), etc.

When finished, choose the “Checkout” option and finalize your selections. Make your monthly tuition payment for your GROUP for the month of August. That’s it! You are registered for those classes, and by paying your first installment you have secured your schedule. If you have questions about levels or the class schedule, please email Andrea Hill: achill@cityballetofwilmington.org. For questions regarding policies, registration, or payment, email Alex Hill: ahill@cityballetofwilmington.org.

COVID-19 PRECAUTIONS

We continue to heed all the precautions related to the Covid-19 pandemic, using a flexible class schedule with studio and online options, special classes for those requiring masks, earlier classes for homeschooling families, etc. We are restricting in-studio class sizes for social distancing, and students entering the studio will have temperature checks, hand sanitizing, and submit health forms regularly. We have arranged separate entrances/exits for students in each studio, and parent drop-off with no congregating in the waiting area. In the studios we’ve incorporated air-filters and increased ventilation, as well as cleaning and disinfecting between classes. We’re doing everything possible to keep everyone healthy while also keeping them dancing!
