**THE PROFESSIONAL TRAINING PROGRAM**

The Professional Training Program is designed for students that want to make optimum progress by providing them with the ability to take unlimited classes. Students are mentored as they prepare for a dance career, higher education, or just enjoy the challenge of achieving their personal best. PTP students can take up to 22 hours per week, including all required classes listed for their level plus Youth Ensembles, Contemporary Company, or the City Ballet Company.

*Students that sign up for the PTP program will have the opportunity to choose the additional classes they would like to add to their schedule beginning August 12<sup>th</sup> (do not sign up for additional PTP classes without approval).*

**YOUTH ENSEMBLES**

The Youth Ballet Ensemble is a vital part of the City Ballet School and Company, allowing students the ability to receive additional class time that is critical for these Levels. Students learn important elements of performing, especially working together toward the achievement of a shared artistic goal. As the future City Ballet company, these students work alongside company members in each City Ballet performance and build their skills through many exciting performance opportunities.

**APPRENTICE COMPANY, COMPANY, and CONTEMPORARY COMPANY**

City Ballet is honored to be serving the Cape Fear Region. The highly acclaimed school and company has a national reputation in the dance community and is celebrating 13 years in Wilmington, NC (2011 -2024) with the director celebrating 32 years of directing, teaching, and choreographing (1992 – 2024). The Company dancers perform a wide variety of full-length ballets (including *The Nutcracker*), plus other classical, neoclassical, and contemporary repertoire. Working with professional guest artists, ballet repetiteurs and choreographers, City Ballet dancers work at the highest level with life-enhancing performance opportunities.

City Ballet's **Contemporary Company** is part of the City Ballet Company each season. Company members learn and perform diverse dance styles which are current with today's professional dance companies (Contemporary, Modern, Jazz, Lyrical styles). The Contemporary Company has performed *Some and Others*, *Jane Eyre*, *The Picture of Dorian Gray*, *Tittle Tattle*, *The Hunchback of Notre Dame*, and *Resilience* at The Wilson Center and Kenan Auditorium.
